1	First Week's Post: Discussion Question #1: Tell us something interesting about yourself	1	1	1	

Discussion Question #1:

Tell us something interesting about yourself...this can be something you enjoy doing or some interesting fact about yourself.

Reflect upon how you might make the transition from high school or the workforce to college. What do you anticipate will be your biggest challenges during this time and how will you manage them?

Create a new thread for each of your answers.

2	Discussion Question #2: What resources on campus and in the community will you use?	1	1	1

Discussion Question #2:

Think about your background and your personal and academic goals. Where have you been, where are you now and how will you get to where you want to be? What resources on campus and in the community will you use and what activities will you take part in to assist you during this process?
